

MEMORIAL HEALTH SYSTEM

is one of the most comprehensive healthcare systems in the state. Our team provides nationally recognized healthcare right here in South Mississippi – and it's only getting better. Since 1946, Memorial has grown exponentially with the commitment of our team members, our Board of Trustees, and our owners, the City of Gulfport and Harrison County. We've expanded to include three hospitals – Memorial Gulfport, Stone County, and Biloxi to provide essential care to the residents we serve.

6,200 + Workforce	800 + Providers	100 + Physician Clinics	11 Diagnostic Centers	5 Outpatient Surgery Centers
3 Residency Programs	3 Hospitals: Gulfport, Biloxi, Stone County	2 Nursing Centers	1 Cancer Center	1 Memorial Hospital Foundation

MEMORIAL HOSPITAL

Biloxi

150 Reynoir St. Biloxi, MS 39530

is a 153-bed acute care hospital in downtown Biloxi that offers 24/7 emergency care with board certified emergency medicine physicians, private patient rooms, advanced diagnostic imaging, a fully-equipped cath lab, and an innovative robotic surgical platform. In addition, Memorial has multiple specialty clinics – conveniently located across the street from the hospital in the Memorial Medical Office Suites.

MEMORIAL HOSPITAL

Gulfport

4500 13th St., Gulfport, MS 39501

Memorial Hospital Gulfport is an acute care hospital licensed for 303-beds, including a state-designated Level II Trauma Center, four outpatient surgery centers, satellite diagnostic and rehabilitation centers, two nursing centers and more than 100+ Memorial Physician Clinics and three residency programs.

Memorial offers several of the region's most comprehensive clinical programs, such as emergency medicine; women health services, pediatrics; orthopedic services; cardiovascular services; neurosciences and oncology. Additionally, Memorial provides medical specialties unique to the Coast: the only Level III Neonatal ICU and Mississippi's first nationally certified Primary Stroke Center.

MEMORIAL HOSPITAL

Stone County

1434 East Central Ave., Wiggins, MS 39577

is a 25-bed acute care hospital located in Wiggins, Mississippi. The hospital offers 24-hour emergency care and is staffed by board certified emergency medicine physicians. The hospital offers a full-service laboratory and an imaging department.

In addition, Memorial offers two multispecialty centers – **Memorial Stone County Medical Center & Multispecialty** and **Memorial Primary Care & Multispecialty Clinic of Wiggins**. Walk-In primary care services are also available.
